Our Work

We have welcomed the local charities tenants in Station Seven which has helped us develop our partnerships with these organisations and collectively build on our community reach.

To sustain our Active Community aims and ensure Station Seven as a facility continues its high standards, we have to focus on income generation through space hire, events and fundraising.

Although our hub is in Johnstone, we continue to ensure we have a presence throughout Renfrewshire communities and with local partners, influence how social issues are addressed within the area.

About Hearty Lives Project.

Hearty Lives is our ambitious and innovative partnership project which delivers a peer-led approach to promoting mental health and wellbeing across all Renfrewshire high schools. Funded by Renfrewshire Council's 'Tackling Poverty in Renfrewshire' programme it is a unique partnership which promotes mental health and wellbeing for young people in Renfrewshire and aims to tackle poverty through a peer education approach, focused on tackling inequalities and improving health.

Hearty Lives is driven by the core values of Active Communities whose mission is to empower local people by inspiring, supporting and enabling them to improve their health and wellbeing. Hearty Lives teachers are following this same mission for the pupils in their school.
