About Active Communities.

Active Communities changes lives through motivating and engaging programmes which we deliver using a supportive and friendly approach. We believe in the power of community, listening to community needs and working with local people to improve their health and wellbeing.

Our aims are to connect local people, improve health and wellbeing, reduce loneliness and isolation, tackle health inequalities and provide opportunities for people to reach their full potential.

Our Vision

Everyone in Renfrewshire can live healthier, fulfilling lives

Our Mission

To build healthy, supportive and vibrant communities.

Our Work

We provide a range of health and wellbeing groups and opportunities across Renfrewshire and in our Community Hub, Station Seven. Community Pantry, parenting programmes, after-school programmes, community meals, Jogging Buddies, a crochet group, social drop ins, break-exercise, Pilates, Mindfulness and gardening groups are just a snapshot of what we deliver.

We have welcomed the local charities tenants in Station Seven which has helped us develop our partnerships with these organisations and collectively build on our community reach.

To sustain our Active Community aims and ensure Station Seven as a facility continues its high standards, we have to focus on income generation through space hire, events and fundraising.

Although our hub is in Johnstone, we continue to ensure we have a presence throughout Renfrewshire communities and with local partners, influence how social issues are addressed within the area.

About our work in Gallowhill.

We are developing the work we do in Gallowhill in partnership with Renfrewshire Council to action the information we have gathered from a 6-month needs assessment in the community.

The approach will:

- Join up services and support available locally, informed by the community needs assessment
- Increase uptake of services and support for low-income families, focussed on targeting priority families
- Providing dedicated community development support to improve and expand community led activity and infrastructure in the area

The role of Active Communities in this project is to facilitate connections between families, especially those within child poverty priority groups, and services, ensuring they access the support they need and reduce systematic barriers to statutory services.

We will connect families within the community to each other by offering a range of programmes and activities to bring people together. We will develop strategies to reach families traditionally identified as hard to reach.

As a Renfrewshire Council funded project, the post holder will have regular liaison with Council officers.

Our Core Values.

We strive to make our values part of our daily life at Active Communities to reflect who we are and what we want to achieve in the local area.

We Champion

We listen and amplify the voices of communities, advocating for those who needs us the most

We Care

We are inclusive and compassionate, valuing every individual, and treating all with dignity and respect

We Connect

We bring people together creating a sense of belonging and purpose

We Celebrate

We celebrate achievements big and small

We Challenge

We challenge indifference and prejudice at all levels

We are Courageous

We innovate, adapt, and learn from success and mistakes

Job Summary

This is a key role as we develop our work in Gallowhill to engage and build meaningful connections and be an effective advocate for local people to ensure they receive the support and services they need.

The Community Development Worker will organise a range of events, activities and groups to galvanise the community to be more socially active and involved in local matters. They will work flexibly, responding to the needs of the community.

Main Duties and Responsibilities

Engagement and Connections in the Community

- Community Engagement - Actively reach out to families within the community to build trust and establish meaningful relationships
- Listening and Understanding - Establish means to understand the unique needs of local people and alongside Renfrewshire Council and partners drive forward innovative approaches with the community
- Connecting Families to Services - Facilitate connections between families and service providers ensuring they access the support they need (existing support or new), e.g. Advice, health care, education, housing, and social services. In particular those within child poverty priority groups and services
- Identify Service gaps and increase uptake - Identify gaps in available services and increase the uptake of services and support with a focus on targeting families with priority needs.

Job Description Cont'd

- Engage hard-to-reach groups - Develop ways to engage meaningfully with those traditionally hard to reach, such as people with English as a second language, people with poor health or disabled people.
- Delivery of events and activities - Plan and organise community-led social events, groups and activities that serve a wide range of the community to support community engagement and involvement. The type of events and activities include litter picking, fun days, and projects around food i.e. community meals etc. As well as forming groups such as a local Community Council.

Financial Responsibilities

- Project Expenditure - assist with setting and reporting on project expenditure and monitor project expenses.
- Financial Procedures - ensure financial procedures are complied.

Positive Working Relationships and Partnership Building

- Build strong and effective working relationships with colleagues working together on the project and the wider Active Communities team, while also having the confidence to work alone within the community.
- Support and effectively lead sessional workers and volunteers.
- Develop strong partnerships working with service providers, local charities, community groups, businesses and local authority.
- Work with existing and new service providers to ensure local people can connect with services they require

Ensure Quality, Compliance, Monitoring and Evaluation

- Impact Monitoring - Continuously monitor, document, and report on the project's impact.
- Regular Evaluations - Conduct regular evaluations using accessible methods within the community.
- Ensure compliance with all relevant policies and procedures.

This job description is intended to outline the post. It is not an exhaustive list, and it is recognised that jobs change and evolve. Postholders will be required to carry out any other duties to the equivalent level that are necessary to fulfil the purpose of the job, and to respond positively and flexibly to changing organisational needs.
